## FINANCIAL AGREEMENT

All clients that sign into an agreement for adoption with ABI will adhere to the following guidelines regarding payments to ABI.

1. All accounts that are 30 days past due will be subject to 1 ½ % interest.
2. If for any reason your account has to go to a collection agency and/or attorney for collections you will be responsible for any and all fees accrued by the collections agency and/or attorney.
3. Any donation offered on behalf of an adoptive family shall be deposited into a humanitarian aid account if an adoption process is formally stopped by or for the specified family. On rare occasions in the past a family has raised money specific for their adoption and portions of this are spent in fees, only to have the adoptive family decide to halt their adoption processing. This results in funds that are not clearly designated toward their original purpose; therefore, these shall be utilized for humanitarian aid. Please contact ABI for any needed clarification on the intent or meaning behind this policy.
4. All credit card payments will have a 4% fee added to process.
5. There will be a \$30 return check fee for all checks returned.

If there are any questions regarding your bill, you can contact our billing office at [billing@allblessings.org](mailto:billing@allblessings.org) or call 1-270-684-2598.

I/We hereby acknowledge the Adoption Fee Schedule as delineated and agree to pay the fees for the particular country and/or services we are requesting. We further acknowledge that we understand that in particular all fees paid to international sources or entities other than ABI are subject to change without notice and are not under the control of ABI. In addition, we attest to our complete understanding that all fees are considered payment for services rendered and are in no way payment for a child or the guarantee of an adoptive placement.
